FROM THE DESK OF

Dr. Lambert C. Shell - Director

Greetings from the Roosevelt Public Library Staff

As Fall approaches, the Roosevelt Public Library will continue to provide excellent programs, services, and resources to the community.

We would love to give sincere thanks for your support of the Roosevelt Public Library Summer Breeze Concert Series and Summer Reading Clubs and programs. Both programs saw well over one hundred participants this year.

We are pleased to announce, the library will be returning to seven days a week service schedule. EARLY VOTING polls will continue as well. Dates will be listed.

Please check the website www.rooseveltlibrary.org and electronic sign for updates.

The library is here to support the community, especially in these tough economic times. What if a person is looking for a tangible item that they can use at no cost and return at no cost? It's something that can save you hundreds of dollars per year in subscription fees and purchases.

Are you interested in saving money on self-education? What if you are looking for a job or starting a business, or if you want to research your family tree? at no cost? This is what Roosevelt Public Library has to offer the community. Our goal is to become one of the busiest public libraries in Nassau County. We want you to be a part of our ongoing improvement process. We are always open to suggestions for improving library service and welcome your input and feedback. We value your opinion and your input in the mission of the library. I hope you will take advantage of the resources we have available and we look forward to your next visit.

YOU MADE A FOOL WITH YOUR BEAUTY

by Akwaeke Emezi

"Feyi Adekola wants to learn how to be alive again. It's been five years since the accident that killed the love of her life and she's almost a new person now—an artist with her own studio and sharing a brownstone apartment with her ride-or-die best friend, Joy. A steamy encounter at a rooftop party cascades into a whirlwind summer she could have never imagined."

THE WORST BEST MAN

by Mia Sosa

"A wedding planner left at the altar? Yeah, the irony isn't lost on Carolina Santos, either.

But despite that embarrassing blip from her past, Lina's offered an opportunity that could change her life. There's just one hitch... she has to collaborate with the best (make that worst) man from her own failed nuptials."

WILL

by Will Smith

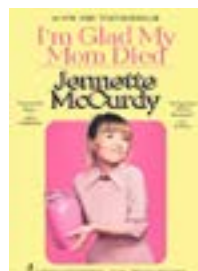

"Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over."

WE WERE NEVER HERE

by Andrea Bartz, Becca Tobin

"Emily is having the time of her life—she's in the mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Emily can't believe it's happened again—can lightning really strike twice?"

I'M GLAD MY MOM DIED

by Jeanette McCurdy

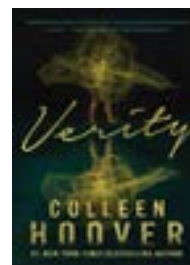

"A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life."

YELLOW WIFE

by Sadeqa Johnson, Robin Miles

"Born on a plantation in Charles City, Virginia, Pheby Delores Brown, has been promised freedom on her eighteenth birthday. But instead, she finds herself thrust into the bowels of slavery at the infamous Devil's Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day."

VERITY

by Colleen Hoover

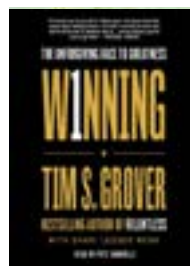

"Lowen Ashleigh is a struggling writer that has been hired to complete the remaining books in a successful series his injured wife is unable to finish. She arrives and begins to sort through years of Verity's notes and outlines. Lowen uncovers an unfinished autobiography and discovers bone-chilling admissions."

SPARRING PARTNERS

by John Grisham

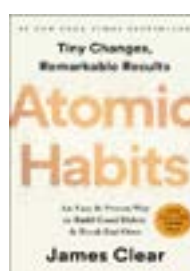

"Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford."

WINNING

by Tim Grover

"If you're addicted to the taste of success and crave more, then you're ready for Winning's results-driven performance strategy. And if you're already winning and want to learn how to execute at a level that will establish you as one of the greatest—so you can own not just this moment but the next, and the next—this book will show you the path."

ATOMIC HABITS

by James Clear

"No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results."
